(Soroski/Yates)

C | F | Am G | F

Verse 1:

C C sus/F
When your world lies in ruin

When love runs out the door

When your heart has no answers

At least the ones you were looking for

When death seems desirable
C/E Csus/F
When surrenders an honorable choice

A gentle word holds no comfort
Bb F G/F
Listen harder for His voice

-CHORUS-

G C
I am here
G F C G
When the world falls down around you

Am G F F# G
When you're lost, I have found you
F G C
I am here, I am here

(Verse 2 – same as verse 1)

When your dearest friend betrays you
When no one will hold your hand
When your feet give way beneath you
This is when to stand

When quitting is an option
When you cannot fight at all
When you're weary from confusion
Take strength when you hear Him call

(Full band comes in strong at Chorus)

-CHORUS 2- (longer)

G C
I am here
G F C G
When the world falls down around you
Am G F G
When you're lost, I have found you

Am G F C
I am here, let no circumstances bind you
Bb F
Hear me calling out to guide you,
Bb F G C
and let My love remind you I am here

-BRIDGE-

Am F Am
There are those who have fallen and there are
F/G C
those on their knees
Bb F Bb F
We have been chosen and God won't ignore our
G
pleas

(repeat chorus 2 piano only)
