Drop the Blanket (facing fear)

Jesus was born into a world much like our own, filled with fear, oppression and uncertainty. Yet the angels who appeared to the shepherds proclaimed, “Fear Not!”. Centering in Deuteronomy 31:6, Luke 2:10-11, and drawing from personal experiences, we will take a closer look at how God replaces fear with faith when we choose to trust in Him.

Stories and Songs

My greatest passion in life is to strengthen and encourage believers. God has allowed me to do this through songwriting, my personal testimony, the craziness of a homeschooling family, and stories of serving God in the midst of a hectic life. It is a joy to encourage groups through personal songs of worship and the stories and Scriptures that inspired them.

Unqualified

In reading through the Scriptures I have noticed that practically everyone God calls to do His work is pretty much unqualified to do it. God certainly has a tendency to call on people that we would never consider calling. David was the least of his family, Moses was slow of speech, Gideon was filled with fear, and Peter was an uneducated fisherman. What does God see that we don't?

Pray Like Jesus

Prayer is our main line of communication with God, yet many of us still don't feel like we know how to pray the way we think we should. We can learn a great deal about prayer from how Jesus prayed. We will look at the prayer life of Jesus, centering around his longest recorded prayer in John 17 and will discover answers to many of our deepest questions, as we encounter life-changing truth.
